AWARDS ELIGIBILITY

A total of six (6) credits must be earned during the Awards Year (January 1, 2016 through December 31, 2016) to qualify for awards. At least two (2) credits must be from service to the Club; the other four (4) credits may come from any combination of service or meeting attendance. For Juniors only, the requirement is two (2) credits, which may be from meetings or service.

Title trophies will be awarded to any dog whose owner meets the above criteria. For other awards, where recognition goes to the dog/handler team, the dog must have been handled by the member (or household member) who is applying for the award(s).

In the event that a member has not earned sufficient service or meeting credits, they have the option of purchasing a tray and engraving for that tray (or purchasing the engraving for an existing tray) at the club's cost.

Awards must be earned **during the calendar year** unless otherwise indicated. Please do not include titles earned in previous years.

WLAOTC TITLE TROPHY
Award No. 1

Dogs who earned Titles(s) or Certificate(s) where the designated initials may be used with the registered name will have these titles **ENGRAVED ON A WLAOTC TROPHY OR TRAY**. This includes – but is not limited to – titles in Obedience (eg., BN, CD, UCD), Agility (eg., NA, CL1-R, AD), Conformation (eg., CH, ALCH), Rally (eg., RN, RO1) and other performance sports (Herding, Carting, Tracking, Earthdog, Water Dog, Field, Draft, Flyball, Disc Dog, Freestyle, etc.). Certifications such as Canine Good Citizen, Temperament Tested, Canine Assisted Therapy, and the like, also qualify.

This is a perpetual trophy. Titles earned in the future will be engraved on the trophy as long as the member has satisfied eligibility requirements for that awards year. The Club will purchase the trophy for the first award. If your dog has earned titles in previous years and you already have a tray, you will need to submit the tray to the awards committee. If this is the first year you are applying for an award for that dog, you only need to submit the application.
